

# STAR-12

## Economy range of mineral fibre ceilings

The most cost-effective ceiling panel on the market  
Now with a limited warranty for your peace of mind

### Why Star-12?

Star-12 is a 12mm (1/2") thick, light-weight, wet-felted mineral fibre ceiling panel.

It is one of the most economical products for air-conditioned spaces such as:

- ★ Offices
- ★ Departmental Stores
- ★ Convenience Stores
- ★ Retail Shops
- ★ Corridors

The top problem with mineral fibre boards is the susceptibility to sag.

Have no worries as Star-12 is fully backed by a 1-year limited warranty against sagging.

This limited warranty will be extended by another 12 months if the mineral fibre boards are installed in conjunction with an approved ceiling suspension system.

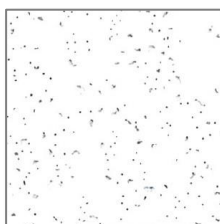

### Product Features

- ★ Fire resistant
- ★ Good acoustic performance
- ★ Asbestos & formaldehyde free
- ★ Environmentally friendly
- ★ Resistant to moisture, mold & mildew
- ★ High light reflectance
- ★ Compatible with standard hanging accessories
