## Features

Video Wall Pop-Out Bracket is a customizable video wall mounting solution featuring multi-monitor stacking, open design, and scissor mount extension. It has an extending scissor mount for easy installation, cable management and servicing.

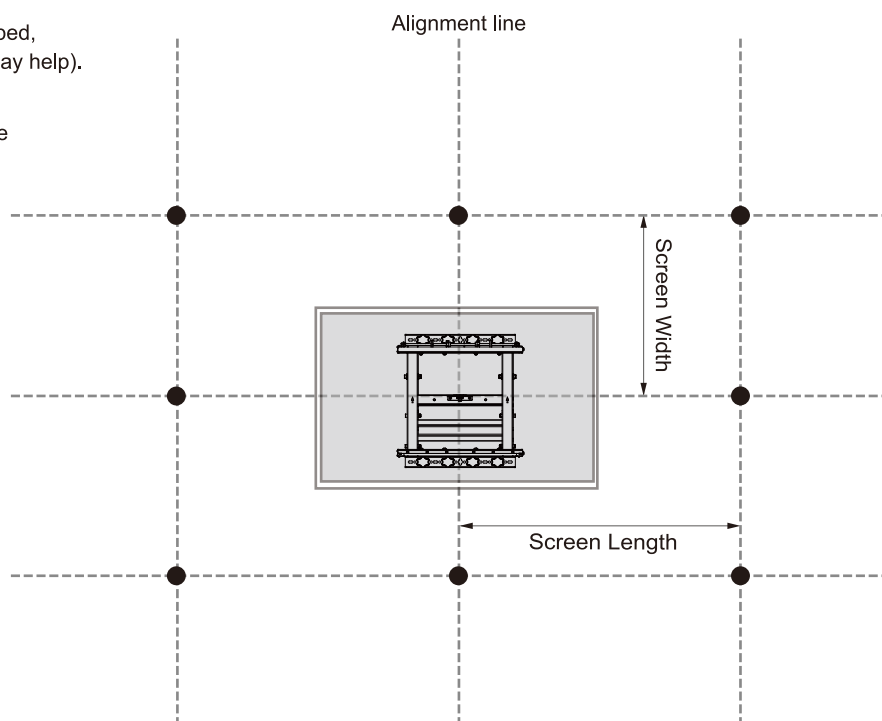

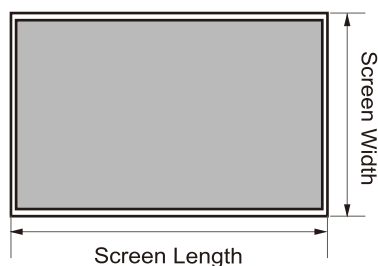

## Types of Installation

## Step 1 - Installing the Mounting Brackets

After you have mounted the first bracket as described, draw a horizontal line (the use of a laser leveller may help).

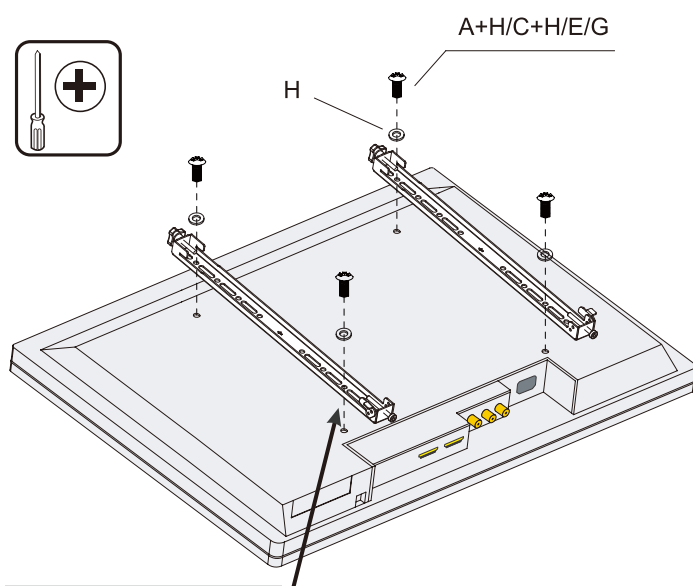

You can place the second bracket by tape measure proceed in this way with the other brackets.

## Step 2 - Installing the Mounting Brackets

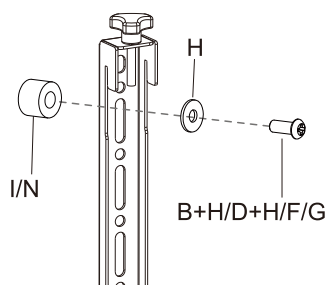

VESA 100x100 to 400x400mm: Landscape

\*For screen with a hole pattern in a pocket, spacer go between Assembly Adapter Plate and screen.
